**2.13. Civil Involvements (CI).** If you have had any involvement with any civil, military, school authorities / law enforcement officials (regardless of its insignificance, disposition, or finding), it must be reported. Ensure you read and understand what a CI is. Click Add an Involvement if you have any to report. Refer to Figure 2.22.

Figure 2.22. Click Add Involvement if You Have a Civil Involvement to Report

Civil Involvements		
Civil Involvements		
Beacadet, Iwanna	User's Guides <u>1 - Report an involvement</u> <u>2 - Provide additional details</u>	
A. The Detachment Commander must know if you have ever been arrested, convicted, involved with law enforcement officials or authorities for him/her to determine if you meet the character requirements for membership in Air Force ROTC. It is necessary for you to report any involvement with civil, military, or school authorities/law enforcement officials REGARDLESS OF ITS INSIGNIFICANCE, disposition, or finding on the certification provided below. Include traffic violations and any incidents which resulted in your being judged a juvenile offender. A finding of not guilty or advice by an attorney, court official, or anyone else to consider you record as clear DOES NOT constitute authority to leave the involvement off of the certification.		
B. In the future, you must report any civil involvements to the Detachment Commander or his/her designated representatives WITHIN 72 HOURS following it's occurrence. If such incidents occur during a period of leave from the institution (e.g., student teaching or foreign study), attendance at Field Training, or during normal vacation periods, the 72-hour time limit will apply effective with the official date of your return to the institution.		
C. Concealing or failing to report an involvement with civil, military, or school authorities/law enforcement officials, giving false information or claiming subsequent to initial certification that you were unaware of the contents of this document may result in elimination from consideration for membership in the Air Force ROTC program; or, if already a member, may result in your discontinuance from the Air Force ROTC program. The information reported on this certification from will be treated as confidential matter, subject to the provisions of the Privacy Act of 1974 and the Freedom of Information Act.		
What is a Civil Involvement?	What Civil Involvements must be reported?	
No Civil Involvements Recorded	Add an involvement	

2.13.1. Provide details of the CI and upload documents. If the Cadet Statement Required box is checked, click on Cadet Statement Required link. It is a hyperlink for you to add your recollection of the CI. Click Report/Save to save and return to CI, at a later time. Submit as Complete when required documents and cadet statement have been provided. Refer to Figure 2.23.

**NOTE:** The detachment will set a time for you to bring your supporting documents for verification and for you to certify any CI's.

NOTE TO APPLICANT: YOU MUST REPORT ANY CIVIL INVOLVEMENT (includes arrests, traffic stops, suspensions from school, incidents at school where you were involved as the instigator and received some form of administrative discipline, etc) no matter how it was resolved. Even if someone told you it was expunged from your records, you must report it. Later in your cadet career or career in the Air Force, you will be submitted for a security clearance. In the investigation that occurs for that clearance, any previous incidents may be found and if you did not report them previously, you could be subject to fines or imprisonment. THIS IS A SERIOUS THING. If in doubt, report it. We can waive many of these incidents and allow you to join the program so there is no benefit to not reporting them.

**2.14. All Items Checked.** Once you receive check marks on all boxes, click Submit. The detachment will review the application and contact you for any questions and explanations. If you do not complete the checklist, the application will save automatically and you may complete the application at a later time. Refer to Figure 2.24.
